It gives me great pleasure to present the 103rd Annual Report for Swimming Manawatu Incorporated on behalf of the Governance Board.

It has been another challenging year for everyone with regions moving in and out of alert levels due to the Covid-19 pandemic. We have been very lucky in the Manawatu region in that we have managed to hold most of our swim meets, albeit some delayed, and it was challenging to find suitable replacement dates in the latter half of 2020.

I would like to thank all the swimmers, coaches, volunteers and families for all your hard work, passion and innovative ways developed and adopted to keep our swimmers engaged and fit during this uncertain time when swim meets were postponed often with only a few days' notice.

This year has been a good year for our swimmers. We have increasing numbers of junior swimmers and relays have proved to very popular this year with some close finishes. We have been able to hold all our regional meets with good numbers attending. From July 2021, the format of swim meets changes to a maximum of ten designated (approved) meets per year in addition to four regional championship events.

Swimming Manawatu is in good financial shape. Again, we were able to weather the financial impact of Covid-19 primarily as we are one of the few regions operated entirely by volunteers; hence we had no salaries to pay. I would like to thank all the Board, Management and Operations committee voluntary members for all their hard work that keeps Swimming Manawatu thriving.

We have again met all its key performance indicators (KPIs) as outlined in our vision, mission and statement of Intent. The Board plans to refresh all of these in the 2021/22 year so will be consulting with members.

DASC Presidents Report 2020-2021

The 2020-21 year has been full of challenges for the Club as for everyone else with Covid-19 still looming large.

Covid-19 saw training programmes interrupted training and fitness at the beginning of the season but we have steadfastly maintained our squads over the year.

Our sincere thanks to the staff at the Lido Aquatic Centre in Palmerston North for their continued support of our squads.

This year, many of our major meets have been disrupted or cancelled due to Covid-19, those that did go ahead were supported by the club where we could:

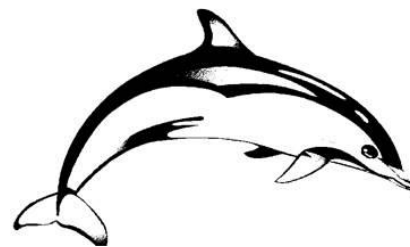

- 2020 Wellington SC Championships
- 2020 NZ Short Course Championships – DASC had 3 swimmers at this event – Fernando Castellanos, Finn Lyon and Hannah Moore. Nando and Finn made B & C finals – this was a good result for the Club.
- 2021 NZ Open Water Championships – DASC had a team of 5 swimmers competing in the SNZ events, the best placing for this team was Tom Brown who placed 11th in the 13-14 years 2500m. DASC also had a team of swimmers competing in the Epic Swim Series. We entered teams into the 4 x 100m relays in both the SNZ and Epic competitions also. This event has become our Summer Mini Camp event and is enjoyed by many of our team.
- 2021 Wellington LC Championships – DASC had a small team at this event, the team was successful in achieving their personal swim goals. Several of our swimmers managed to medal at this event, the team brought home 9 Gold; 7 Silver; and 5 Bronze medals with all other swims in the top 10. This demonstrates consistent development in the squads.
- 2021 Manawatu Age Group Championships – DASC had a large team at this event winning medals, setting PB's and competing well in the 50m environment. Standout personal performance at this event was Venice Goulden who entered all 15 events and PB'd 14 of them on the day achieving her personal goal in style.
- 2021 Manawatu Open Championships – originally delayed by a brief period of Covid lockdown, this event was eventually run and DASC had a successful team at this event.
- 2021 DASC (Dannevirke and Dolphin ASC) Pentathlon event – this was the first time this event has been run. Some very exciting competition both in the Pentathlons and the Skins events. Hope to be able to grow this event in the future as an added 50m event open to all club and competitive swimmers.
- 2021 All-Stars Junior Festival in March - DASC had a team of 12 swimmers who brought home many ribbons and PB's. The highlight of this year's meet was the relays, in particular the close competition between Ice, Dannevirke and Whanganui in the relays. Dannevirke took 1st place in the Mixed Medley relay which was an intensely close race and totally unexpected (WSC 2nd and Ice 3rd – a Manawatu trifecta).
- 2021 NZ Division II Competition – our team of 12 swimmers qualified this year, sadly many were unable to compete. Cameron Baker and Jasmine Moore were our representatives at this event and both swam well.
- 2021 NZ Opens and 2021 SNZ NAGS saw the club with qualifiers unable to attend these priority meets. Significant for us was the achievement of the qualifying times by new swimmers in the 13/14 age group – congratulations to those who did qualify.

The Club is going from strength to strength in line with our goals for the year. Even with a reduced number of meets and opportunities to compete, there were a total of 64 club records broken across all age groups, stroke disciplines and distances. This is an indication that our coaching programmes are working well.

Huge thanks to our coaches, parents, timekeepers, officials, team managers, taxi drivers and supporters for everything you do for our swimmers, without you we could not continue to do what we do.

DOLPHIN AMATEUR SWIMMING CLUB INC PRESIDENT'S REPORT 2020 - 2021

Welcome to the 2021 Annual General Meeting of the Dolphin Amateur Swimming Club.

While COVID still remains and is very much a hot topic, we have been fairly fortunate to not have been affected too severely this year. This is mostly due to the hard work of our behind the scenes volunteers who quickly come up with solid contingency plans when they are required that allow the maximum amount of our club members to swim according to the relevant alert levels. To those of you who help in any way during these testing times, thank you.

LTS lessons have grown steadily through the past years & we are now at capacity with the pool space we have, which is great.

We have managed to keep our core group of competitive swimmers in the pool & they are still making great improvements. Our Squad group has doubled in size & we are now getting good numbers wanting to step up to the same standard as our core group. We have many Junior swimmers making great progress so will be working with these children over the next months & help them improve as they chase All Star junior festival qualifying times.

All of our coaches do an amazing job with our swimmers and the fact our membership numbers continue to grow is down to the great work they all do. A special thank you to Daniel, Rhys, Reyna, Unity, Sandra, Jessica, Andrea, Oliver, Lachlan, Michael & Gillian whose enthusiasm and commitment to our swimmers is always on show whenever you turn up to the pool.

Only one Dolphin swimmer attended the All Star junior festival this year. Maggie Thompson, Maggie swam 6 events with some great PB's & top 10 placing in the 50 Butterfly, 50 Breaststroke & 200 Freestyle. Awesome effort by Maggie and hopefully next year we will have more swimmers join her.

This year we only had one opportunity to host a meet. The pentathlon meet held at Makino with the assistance of Dannevirke Swim club. It was a great day, held in lovely weather, utilising the outdoor 50m pool which held some exciting racing

Another big thank you to all club volunteers who assist in the running of meets. They are as follows: Unity Hope, who runs the computer at almost every swim meet. Rhys Simpson, Referee. Major Meta, IOT. Daniel Henriksen, who has completed his training & is now a qualified IOT. Meegan Skinner, Chief Time keeper. Plus all the club volunteers and parents of swimmers that have assisted at meets, coaching, managing, timekeeping, marshalling & all the jobs that help a meet run, without your assistance the meets cannot go ahead.

A special thanks to the people who do massive amount of work keeping the club running behind the scenes. Meegan Skinner who has done an amazing job coordinating everything swimming, without her we would not be able to grow the club & utilise our pool space as efficiently as it is now. Also all the work managing payments has been a great help to the finance of the club & taken a load of work off the treasurer. Unity Hope does so much work behind the scenes, she has worked tirelessly sorting the club financial accounts and trying to get them approved from an auditor, many many late nights. Unity has been with the Dolphin club for many a year & she is always available to drive to Feilding to cover coaching or help organise clubs next swim meet or event. Rhys Simpson, it's hard to think of a job within the club that Rhys doesn't do and it's fair to say he really is the backbone of our club. To the committee members and all those that volunteer any of your time, thank you.

I'm sure we will continue to be challenged by COVID in the foreseeable future, but if we continue the way we have been over the last year then I think the future for our club is a strong one. I continue to be proud to be a member of this club. Many thanks to you all.

FEILDING AMATEUR SWIMMING CLUB INC Club President Report - 2021

Kia ora kotou katoa,

In short - it's been a tough year, no doubt. One where we needed to stop for a moment, take stock, put our hand up and ask for help – not always an easy thing to do, but necessary, nevertheless.

It's to this point, I would first like to thank our club members, parents, and whānau for stepping up when needed - our success as a club is 100% your success. I'd also like to pass on our sincere thanks to our sister clubs within the Swimming Manawatu (SM) Region, with special mention to both the Dolphin and Icebreakers Swim Clubs for your mentoring, coaching and guidance, we are extremely grateful for the support that was (and continues to be) offered. The year in brief is as follows:

September 2020 - Sudden departure of coaching personnel creates void. Club members, parents and whānau quickly respond, but it soon becomes clear that the coaching capacity within the club is insufficient to sustain a competitive senior squad. Reaching out to our SM sister club – Icebreakers, they make the kind offer to accept our competitive senior squad swimmers. Not ideal, but in the best interests of those swimmers, absolutely the right decision. We continue to support them all, safe in the knowledge that they are in excellent hands. Shortly thereafter, Swimming New Zealand High Performance Development Coach – Donna Bouzaid, facilitates a session with FASC and provides outstanding guidance and a pathway forward.

January 2021 - ALL STAR'S ZONE, NZ Junior Festival 2021, with tougher qualification times and three swimmers new to the event alongside new volunteer coaches, expectations were realistic. In hindsight this was a pivotal event for FASC – our swimmers smashed their goals, with 8 top 10 finishes in individual events, and a 95% PB percentage (18 out of 19 events) resulting in our being awarded the Trophy and title of Top Club in the category 1-50 entries at the event. Awesome stuff!!!

This event was closely followed by the Manawatu Age Group Champs and our ten swimmers in attendance performed well. The long course format was new learning for some swimmers, but they coped well achieving 57/72 PBs with six of our team sharing in a total of 15 medals - two of which were Gold. We presented a team of four at the Manawatu Open Champs coming away with one medal and a much-coveted SM towel, plus 16/21 PBs.

March 2021 - PENHEY CUP – alongside our annual Club Carnival remains as the signature event on the FASC calendar. Donated in 1939 and first competed for in 1940 it has been held annually with only the 2004 floods and Covid-19 in 2020 preventing it's running. With 82 years of history captured in that event we proudly hosted a very successful 2021 Penhey Cup attended by 11 Feilding & Districts schools and over 80 swimmers.

In total, we attended 22 swim meets/carnivals over the 2020/21 year – (a solid effort), finishing the year with a dedicated team of old and new volunteer coaches and a willing group of club committee members who have done an outstanding job over this past year. Operationally we have focused strongly on continuing to develop our club depth with three coaches attending the NZSCTA TOCs course, two members completing their IoT assessments alongside new members becoming qualified timekeepers.

As a club and committee there is a quiet confidence that we can continue with the excellent work achieved over the past year and can build on our successes. Through the generosity of time from an amazing group of volunteers, we have weathered the storm and come through with our collective heads held high – Well done to you all.

Ehara taku toa I te toa takitahi, engari, he toa takitini

(Success is not the work of one, it is the work of many)

Bryant Chase | Club President on behalf of FASC Committee and Members

Chairperson's Report 30 June 2021

The 2020/21 swimming year is one for the record books because the club won the Harkess cup for the first time in its history, earning the club the title of "Premier Club in the Manawatu." This has been no mean feat as Kiwi West has held the trophy for 34 years, meaning the trophy has eluded Ice Breakers over the 25 years of its existence.

For the club to be in this position, it has taken a lot of hard work from forward thinking committee members and dedicated coaches who have invested countless hours ensuring our swimmers are competing to their highest levels. I would like to thank our team of coaches, Head Coach Darryl, HPS Coach Emma, Hollie, Piper, Annette, and our next up & comer Connor. We are most grateful to have you in the club and you are all such a big part of our success. Earlier this year, Annette retired from coaching. I would like to thank Annette for her service over the past few years. Her contribution to our younger swimmers has been immense and I am most thankful that you gave us what you did.

To our committee for the past year, Lynette, Stacy, Michelle, Darryl, Karen, Niki, Eddie, & Rachel, thank you so much for your input keeping this club going over the year. It takes a lot of energy, some robust debate and input to keeping the club moving forward. We have been extremely fortunate to have had you on board. I would like to thank Michelle, who is standing down, for her work on committee including the last couple of years as treasurer. Thank you for all your hard Mahi. To the people who volunteer their time to make our club operate, from Team Managing, Time Keeping, running bake Sales, cooking at club days, officiating at meets, and marshalling, you are all superheroes that help grow our sport. Without you, clubs do not exist!

There have been so many highlights over the past year in the pool that there is simply not enough room to mention them all. I would like to make a special mention to the following swimmers, Milan, who broke two NZ records during the past year. Milan's Long Course record of 28.91 in the 12/u 50m Butterfly and Short Course 12/U 50m Butterfly time of 28.55 were sensational swims. Alex O for his selection in the NZ training squad and his amazing results with numerous podiums and records, Alex W for his results from NZ Short Course and of course the spectacular results from the team that travelled to Dunedin for DIV II's, highlighted by Josh's 5 Golds, 2 silvers, & a bronze. This team of 9 swimmers excelled at every level and provided many highlights for the club. The club also had 7 swimmers attend NAGs this year with some fantastic results from the team, and we had 11 swimmers compete at Junior Allstars over the past year.

The club held its ever popular Inspire Net Blue Ribbon Carnival in November, with 164 swimmers competing. This carnival is starting to implement itself on the calendar as a must do as it provides both competition and fun for swimmers of all levels. In March the club held the Tim Buys Auto Services Autumn Festival. Again we had over 160 swimmers compete at this carnival. I would like to acknowledge all our sponsors that contribute to our club. These sponsorships really make a difference for us and allows the club to put on events that provide exciting racing but also fun. As the new Swim NZ meet structure kicks in from next season, Clubs will reduce their carnivals by one, which from my view is negative in all forms from eliminating opportunities for swimmers right through to clubs losing revenue. I urge Swimming Manawatu to be vocal to ensure this is raised at a national level when the review is done in 2023.

As the club grapples with the lack of lane space, it was refreshing to see Ice Breakers swimmers and parents lead the submissions from the swimming community to the PNCC long term plan submission. From the 700 submissions to council, 200 of these were from the aquatics community. Lack of lane space for all clubs is a major concern and is a definite handicap to the potential for the sport to grow into the future. The reality is that we are competing in facilities that have served us well but are well past their use by dates and can no longer meet capacity requirements. Pools are obviously not cheap to build and maintain, and this will take a big effort to continue to progress, but the reality is that if nothing is done now, our children's children will be the big losers. It's critical that all aquatics users band together and put their individual agendas aside to ensure we make this happen.

Kia ora koutou

To our Club Members, Club Patron Lesley Parkin, Coach Grant Campbell, Parents, committee members and Paddy Blackman, Manager of the Levin Aquatic Centre, we thank you for your ongoing support and contributions to our swimming Club.

In spite of COVID 19, we have seen great results for our swimmers. The differing level restrictions and impacts on swim meets has taught us all to have patience and perseverance! A few significant meets have been postponed or cancelled and no doubt this pattern will continue for some time. Throughout it all, our swimmers have remained focused and I want to thank our Coach Grant Campbell for providing the steadfast direction for every individual swimmer.

A huge thanks to our wonderful committee-Kylie Tamakaha (Treasurer), Ciara Issacs (Secretary), Esta Kennett and Dayna Vanderwiel (enrolments, club membership and uniforms), Jacqui Kerins (Race Secretary) and Rene Gardiner-Hokianga (funding and grants applications). Our committee have worked very hard behind the scenes. Uniform ideas have been realized; extra work associated with rescheduling of swim meets and ensuring our club remains a viable and stable financial entity whilst promoting swimming within our community to name a few things. A special thanks to Todd Issacs (Coach Liaison) for his proactive ideas and efforts to encourage our local secondary schools to get on board and support who are in our club.

The club committee is made up of parents who have generously given their time and efforts to supporting our club. Recently New Zealand celebrated our volunteers who freely give their time to keeping much needed services going, whether this be our fire brigade, meals on wheels or sport clubs. Without volunteers our club would not exist. Our club is always in need of more volunteers whether it be helping with the sausage sizzles at our meets, committee roles, selling raffle tickets or time keeping. Please put your hand up when we ask for help. We will provide the training and support to help you successfully complete a task if you need a hand.

On this note, thanks to Hellen Windley who has become a valued Team Manager to support our swimmers and coach at swim meets. If you would like to know more about this role, please talk to any of the committee. Also, a special mention to Teresa Leef who has reliably provided the awesome photos of our swimmers at swim meets.

This year was the first year Levin Swimming Club entered a team for the Taupo Open Water series. We took an enthusiastic team up to Taupo where swimmers completed a 2.5 kilometre swim! Quite different swimming conditions compared to the pool! We intend to do the same next January and have even got accommodation booked at a fantastic location across from Lake Taupo which includes great BBQ and swimming pool facilities. If you are interested in attending, watch Facebook, our website, and your Inbox for more details later this week. We encourage you to try something new, it's great for team building and confidence. Our swimmers and parents had a truly enjoyable time in and out of the water.

Our swimmers have achieved many personal successes throughout the year and it's fair to say we will continue to see them doing well whether it be at NAGS¹, AIMS Games or local swim meets. Our goal for next year is to take a large team to NAGS. The pen ultimate event we can all aim for.

Kiwi West Aquatics Incorporated
Club President's Report
July 2020 – 30 June 2021

After 2020 lockdowns, most people hoped for a return to 'normal'. But the reality has been a mixture; some events were disrupted, but most events and training have returning to normal.

This year saw the departure of head coach Andrew Nicholls to Singapore at the end of June 2021, marking the end of our club's coaching relationship with the Nicholls family. Another era of our club's history ends; though we remain grateful for their long contribution and dedication to swimming in our club, region, and nation. A massive thanks to the whole coaching team: We appreciate your expertise, dedication, and the friendly approach you have to the development of Kiwi West swimmers.

After consultation with our members, we advertised our head coach role. The end result was confirming Shane Reed (F3Coaching) as our new head coach starting 1 July 2021. Shane brings many years of coaching experience to the pool deck, with a different approach and some new ideas.

Hilton Brown continues to operate the West End Aquatic Centre. Discussions have continued between HBS, West End School and our club. We hope to see some capital investments in the pool in coming years.

Thankfully we have seen less disruption by COVID19 this year, but only ran one swim meet. The new SNZ competition framework means that from 1 July 2021, each club will have only one "Official" competitive swim meet per year. Committee must consider whether we should offer "Development" meets as an alternative experience.

We continued to see swimmer numbers below our preferred level but see positive signs as the new year approaches with our new head-coach. At the end of the year, we prepared an online membership sign-up to stream-line the process.

During times of change young people can struggle with stress and uncertainty, so swim training has been positive for many. We note the progress and achievements of our club members at all levels. Huge congratulations go to all who have achieved success through their dedication and persistence.

We continue to contribute to coaches' costs to support the swimmers representing our club at out of region meets.

We continued to run "club" nights each term for younger swimmers to race, parents to have a go as a swim official, and swimmers to do time trials for upcoming meets. Races at club nights also decide club trophies & after the racing we provide pizza or sausages for the swimmers. Our annual prize-giving was held in October 2020 at the West End School.

Based on feedback from our members, we have stopped doing raffles to raise-funds, and have been managing with a restricted budget. Though we secured some commercial sponsorship in May 2020, the committee was not able to chase this during 2020/21.

To all our swimmers and families – together you are Kiwi West Aquatics, and we hope the year ahead will bring growing community, development, and achievement to you all.

Dwight Holman - Club President

Pahiatua Swimming Club Presidents Report 2021

What a great year, the weather just came right for LTS , we can award all the cups this year as we have senior swimmers .Race nights have been made a bit easier with the program as you go!
(thanks Sarah)

This year we had 28 children enrolled with Learn to Swim, and about 52 children through Swimming Club. I would like to thank all swimmers for their hard work and enthusiasm which makes the teaching really easy and enjoyable.

This club is run by volunteers and these are the dedicated committee members,

Julie Woodmass, Katrina Wilson, Fiona MacKeller, Kathrina Rankin, Kerry Moore, Sarah Tuhura and Reta Paterea who helped out in many ways to ensure the smooth running of the club.

The Learn to swim volunteers coaches were:

Tim Treder, Ellie Moore, Anna Ozwald, , Lucas Belcher, Michelle Bradbury, Ariana Spinal ,Logan Spencer, George Anderson, Kate Tylee, Charlotte White & Maddie Rankin

Next thanks go to our volunteer coaches for buckets & squads:

Sue Spencer, Jess Hogg , Anna Ozwald , Logan Spencer , Ali Moore & Maddie Rankin

Also Thank to Tararua College for the use of the pool, to Caroline Donald for the use of the town pool and Swanneys Auto Shop for keeping the starter battery in good working order.

Thanks to all involved for making it successful season.

I'm looking forward to next year for a whole lot more fun & heaps more swimming .

Come along & join us.

Annual Report 2020-2021

2020-2021 has seen an increase in the number of swimmers registered with the Club and also an increase in the number of swimmers attending local carnivals, this is very pleasing to see. Competition is the only way that a swimmer can tangibly assess their improvement.

Our coaching team at the pool has seen more changes this year. Marian Hilder has spearheaded the group ably supported by Paul Plieger. Lander Sanisitou left the Club in February and Unity Hope resigned midyear, although has been available to relieve if required. We have been very lucky to have Tom Wilson and Caroline Campbell join the coaching ranks. We also have Ashton Apperley, Kevin Cao, Tracy Hook, Ethan Plieger and Anya Simpson all working with our improver groups. A huge thank you to each of you from the Club for everything you do and I hope that all swimmers appreciate the time and sacrifices these people make to help you with your swimming.

Disappointingly the Club was forced to cancel our carnival planned for August 2020, once again on account of Covid19 levels. We were, however, able to hold a Winter Carnival on 2 May 2021 which was very successful. There were 148 swimmers in attendance from points across the North Island ranging from Wellington to Auckland.

A small number of our swimmers travelled around the country to attend national events over the past year. Stevye Bishop, Marcus Blok and Ian Tsui attended the New Zealand Secondary school meet in Hamilton; the NZ Short Course meet in Auckland was attended by Ian Tsui; Aryn Bishop and Drew Bishop both attended the All Stars Junior Festival in Wellington; the National Age Group championships and North Island Secondary School Championships, both held in Wellington, were attended by Ian Tsui and the Division II competition held in Dunedin was attended by Stevye Bishop. It would be really good to see more club members qualify and attend these events over the next year.

Child protection has been a focus across the sport this year. Each member of our coaching team has undergone a Police check, as have each of our technical officials and also our parents who take the position of team manager when our swimmers are competing at meets. It is now a requirement for people holding these roles to be checked.

We operated with a small committee this year and it would be great to see a few interested parents join the committee – it is not onerous as any one of the incumbents will confirm. My thanks to Robin Apperley (resigned December 2020), Geoff Bilton, Craig Bishop, Marian Hilder, Unity Hope and Club Captains - Taiga Honey and Horatiu Susa.

Unfortunately we have had to raise the Club membership fees for 2021-2022 as the Swimming New Zealand fees for our main membership group have increased by 400%.

On behalf of the Club I would also like to thank the Management and staff of the Lido Aquatic Centre for their assistance over the year, it is much appreciated.

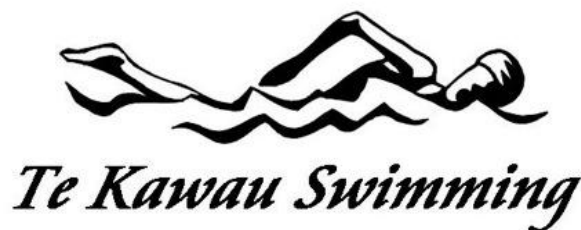

Finally, I would like to thank the swimmers and their families for their support of the Club. We wouldn't have a Club if it were not for the swimmers. Swimmers can demonstrate to their coach that they are appreciated by coming to every training session and working hard. The results may surprise you!

I wish the Club every success for the 2021 – 2022 season.

Dianne Farmer
President

Te Kawau Swim Club

AGM, May 2021

We have had a successful swim season. The weather was kind to us for the majority of the time and the pool temperature remained constant allowing our swim season to continue on well into March.

Our pool facilities are looking great. Thanks to Brayden for all his hours on the water blaster, doing the concrete, club rooms and the roof. They have all come up like new. There have been a few working bees done by Sue and Louis, club members and the school to help clean up the pool and keep it looking nice for the whole community to use, thank you everyone for pitching in.

Our Te Kawau carnival was well attended by our club members as well as other local clubs and with everyone's support the day ran smoothly. This event is great for our beginning swimmers to gain some confidence and experience into competitive swimming.

Our learn to swim programme had great numbers again this year. I have heard loads of positive feedback about this programme from the families that enrolled. We had a few of these children continue on into club swimming. Our club swimming numbers could do with a boost next year, although we kept steady numbers throughout the season which was great to see. With heating and a cover I'm hoping this will help boost our numbers and encourage kids to join our club next season.

I would like to thank all our swim coaches that have helped throughout the season. You have all made our season run smoothly and you have all taught the children so much. It has been awesome to see the children's swimming and confidence improve hugely over the season. Without you we would not be able to run all our programmes.

Also a big shout out to Sue and Louis Noel for their continued support of Te Kawau Swim Club. We appreciate all the work you both do behind the scenes keeping the pool looking amazing, all the computer work, organising the carnival, learn to swim, prize giving and the list goes on. You two are truly exceptional people. You give so much to our swimming community. We thank you for your knowledge and expertise in this area.

Our raffle tickets sold well this year and contributed close to \$1000 for our club. We will definitely run one again next year. All families were asked to sell tickets and donate items to go in the raffle which made this job much easier and manageable as it is spread amongst multiple people.

We upgraded our diving blocks later in the season as our old ones were at the end of their lives. These look great, but can be a bit slippery once wet so please be careful. We have applied for grants for our covers and have had some success and are continuing to put in grant applications to help cover the cost of these.

Unfortunately the 2020/21 swimming year has been another year plagued by disruptions due to the COVID 19 pandemic. That said the Whanganui Swimming Club continues to function and survive, ensuring that the people of Whanganui are able to continue to compete in our sport.

One of the most pleasing aspects of the last year has been the improvements made by our swimmers for those competing at a national level to the newest members who show their newly found skills off at our well attended club nights. These nights are crucial to the club as a whole and the massive improvements witnessed make the board's work all the more rewarding.

On a national and regional level we continue to perform at a high level, with swimmers on all levels of the podium at regional championships, NZ Div 2 and All Stars Junior Carnival. The squad from NAGS all returned personal best times and if NZ Short Course had not been cancelled after the first session there were some genuine medal prospects.

Richard has again been outstanding this year. His ability to plan sessions and club nights, teach and generally bring the best out of our swimmers is hugely appreciated. He has been ably assisted by Verena Nowak who is a real unsung hero of our club.

As a board we want to acknowledge the passing during the year of long time sponsor Richard Neesling of Whanganui Toyota. Richard supported a number of sports and organisations in Whanganui and the swimming club was extremely grateful to him.

We also need to acknowledge Jeff Phillips, our longest serving board member who is stepping down this year after over a decade of service to the club. Jeff's daughters both swam, however his commitment to the club continued for five years after his younger daughter finished swimming to go to university. His commitment and input to the board has been hugely appreciated and will be missed.

While on the subject of the board we really do need some new blood. Two thirds of the last board members had no children actively swimming, and while the people on the board happily give their time it is time for others to step up.

As we move into 2021/22 with hope that the season will not be further disrupted, the club is stable financially, and has an excellent member base. Long may this continue.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

1 **STATEMENT OF ACCOUNTING POLICIES**

These are the financial statements of Swimming Manawatu Incorporated.

Swimming Manawatu Incorporated is an Incorporated Society established under the Incorporated Societies Act 1908.

These financial statements have been prepared in accordance with the Special Purpose Framework for us by Not-For-Profit Entities (SPFR for NFPEs) published by Chartered Accountants Australia and New Zealand. The Financial Statements have been prepared for the society's members as a requirement of the society's Constitution.

The accounting policies adopted are not in conformity with generally accepted accounting practice. Accordingly the financial statements should only be relied on for the expressly stated purpose.

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis have been used, with the exception of certain items for which specific accounting policies have been identified.

Going Concern

These financial statements have been prepared on the basis that the Incorporated Society is a going concern.

Property, Plant, Equipment and Depreciation

Property, plant and equipment are included at cost less aggregate depreciation provided at the maximum rates allowed by the Inland Revenue Department. Property, plant and equipment that are leased under a finance lease for the purposes of the Income Tax Legislation are capitalised and depreciated. The depreciation rates used are shown in the Schedule of Property, Plant and Equipment.

Accounts Receivable

Accounts receivable are stated at their estimated realisable value.

Investments

Investments are stated at cost.

Goods and Services Tax

Financial information in these accounts is recorded exclusive of GST with the exception of receivables and payables, which include GST. GST payable or receivable at balance date is included in the appropriate category in the Balance Sheet.

Changes in Accounting Policies

There have been no specific changes in accounting policies and they have been applied on a consistent basis with those of the previous period.
