Application form must be received within 28 days of competition completion.

Please send completed application forms to manswimrecords@gmail.com

How to use form:

This form may be used for <u>all</u> record applications at a single meet. The form is to be used for each competition, not each record at the meet.

 Complete the top section for each swimming competition. List each record on the form as they are achieved. If the form is filled up start a new form. At the end of the meet please submit the form and associated paperwork to the records officer manswimrecords@gmail.com

Manual timing

A copy of the appropriate lane slip showing three manual times and the final time must accompany this application for each record. The Meet Referee and Chief Timekeeper must sign and certify the application form.

Electronic timing

Signatures by the Meet Referee and Chief Time-Keeper <u>are not required</u> where electronic timing is used. A copy of the meet results may be requested to verify results
